25 July 2011

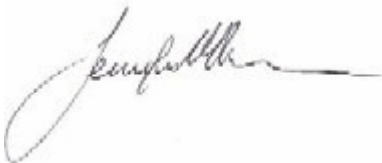

Dear Barbara

Re: CAA consultation on change to trigger verification process – July 2011

I can confirm that Gatwick Airport Limited supports the proposal made in the CAA's consultation dated 6th July. We agree that in instances of a joint letter from the ACC and Airport stating that a trigger has been met, then stage (ii) of the CAA's verification process becomes unnecessary.

We would welcome this step by the CAA to simplify the process.

Yours sincerely

Jennifer Newman
Consultation Manager
Gatwick Airport Limited
