## North Terminal Results Section: April 2010 to March 2011

### North Terminal

#### Aircraft stand and passenger equipment serviceability

For each of these elements one 'off-peak' month can be used in each financial year for major planned maintenance, without incurring rebate payments, so long as airlines are notified in advance. These off peak months are highlighted in the table below, with (A)

(B) denotes when the maximum rebate has been reached and no further rebates are payable for subsequent failures

(C) denotes when maximum rebate was reached in the previous month therefore no further rebate was payable
