2021/22 Core Service Standards Rebate Payments

Gatwick pays rebates to airlines when it fails to achieve any of its monthly Core Service Standards. The rebate is paid in full if the airlines achieve their monthly Airline Service Standards; if these are not achieved, the rebate is reduced. Details of the monthly rebates paid during 2021/22 are as follows.

The rebates have been calculated using actual Core Service Charges, following the end of the 21/22 charging year. As such no year end adjustment is required.
