2.2 Operational

Slots

- 2.2.1 No Operator shall be permitted to operate to or from Gatwick Airport without first obtaining a slot from Airport Coordination Limited (ACL).
- 2.2.2 If in the opinion of Gatwick Airport Limited an Operator regularly or intentionally fails to adhere to an allocated slot (either arrival or departure) for reasons which are not beyond its control, then having first given the Operator an opportunity to make representations, Gatwick Airport Limited may adopt such measures as it deems appropriate to ensure that the Operator adheres to its allocated slots, such measures may include Gatwick Airport Limited prohibiting the Operator or particular services of the Operator from operating at the airport for a fixed period of time.

Aircraft not meeting this requirement are prohibited from operating to any UK airport unless granted an exemption by the UK Civil Aviation Authority (see www.caa.co.uk/erg/avpolicy).

Service and ground handling

- 2.2.5 Operators are required to either self handle or appoint third party Ground Handling Agents, to deliver operational performance in accordance with the minimum airline service standards defined in the current Service Standards GAD. These standards will be consulted on prior to implementation at the Airport Users Committee at Gatwick Airport.

The GAD includes the charge payable should Gatwick Airport Limited be required to facilitate handling of aircraft.
- 2.2.7 There is a Passenger with Reduced Mobility (PRM) Service provided at Gatwick Airport. Please refer to the current PRM GAD and General Advice Notice for information regarding this service including the requirement for pre-notification by Airlines. Pricing current at the date of issue of these Conditions of Use is attached as an appendix IV to the Schedule of Charges.

Policing

Noise supplements

2.2.9 At Gatwick Airport, aircraft departures which infringe noise thresholds or aircraft of Operators that flagrantly or persistently fail to operate in accordance with Noise Preferential Routes (NPR's) prescribed for the airport, both as measured by the noise and track monitoring system operated by Gatwick Airport Limited, may be subject to supplemental charges promulgated in MDIs or GADs.

2.3 Payment

2.3.1 The Operator shall pay the appropriate charges for landing, taking-off and parking of an aircraft, as set out in the Schedule of Charges. The Operator shall also pay for any supplies, services or facilities provided to him or to the aircraft at the airport by or on behalf of Gatwick Airport Limited at the charges determined by Gatwick Airport Limited. All charges referred to in this paragraph shall accrue on a daily basis and shall become due on the day they were incurred and shall be payable to Gatwick Airport Limited on demand and in any event before the aircraft departs from the airport unless otherwise agreed by Gatwick Airport Limited (which agreement may be withdrawn at any time at the discretion of Gatwick Airport Limited) or unless otherwise provided in the terms for payment included in the invoice for such charges.

2.3.2 Payments shall be made without deductions (including taxes or charges). If the applicable law requires any tax or charge to be deducted before payment the amount shall be increased so that the payment made will equal the amount due to Gatwick Airport Limited as if no such tax or charge had been imposed.

2.3.3 All sums payable to Gatwick Airport Limited are exclusive of VAT which shall, where applicable, be paid in addition at the rate in force at the relevant tax point.

2.3.4 All sums due which are not paid on the due date shall bear interest from day to day at the annual rate of the higher of 8%, or the sum of Bank of England base rate plus 3% margin, from the date when such sums were due until the date of payment (both dates inclusive).

2.3.5 All new aircraft Operators to Gatwick Airport Limited (being an Operator that has had no flying operation at the airport for the previous two consecutive seasons to the season being requested) are required to lodge a deposit equivalent to 3 months of operations by that aircraft Operator (based on anticipated numbers and type of flight planned). The deposit may be reviewed after 12 months at the written request of the aircraft Operator, and will be refunded at Gatwick Airport Limited's discretion. A formal explanation will be presented to the aircraft Operator in the event the deposit is still retained by Gatwick Airport Limited following the refund request. When the Operator ceases to operate any flights from the airport for more than two consecutive seasons the deposit will be refunded subject to the right of Gatwick Airport Limited (which is hereby reserved) to set off against any such deposit any appropriate charges that have not been settled in accordance with the above provisions. In exceptional cases the Airport Chief Financial Officer may at his/her discretion waive the requirement for the 3 month deposit.

2.3.6 In the event of an Operator currently operating at Gatwick Airport failing to meet the terms of payment for Airport Charges such that the debt incurred exceeds £10k greater than 30 days overdue (at any point within the prior 3 months) then that Operator will be required to lodge a deposit with Gatwick Airport Limited equivalent to a maximum of 3 months of operations by that aircraft Operator (based on anticipated numbers and types of flight planned). Gatwick Airport Limited's Chief Financial Officer may set the level of deposit required at his/her discretion up to the maximum 3 months value, and in exceptional circumstances may waive the deposit requirement.

- 2.3.7 Under the Civil Aviation Act 1982, Gatwick Airport Limited has the power to detain aircraft where default is made in the payment of Airport Charges. The power relates to aircraft in respect of which the charges were incurred (whether or not they were incurred by the person who is the Operator of the aircraft at the time the detention begins) or to any other aircraft of which the person in default is the Operator at the time the detention begins.
- 2.3.8 The Operator agrees that Gatwick Airport Limited shall be entitled to exercise the rights of detention set out at Condition 2.3.7 above or pursuant to the Civil Aviation Act 1982.
- 2.3.9 In the event of:
- 2.3.9.1 the taking of any step in connection with any voluntary arrangement or any other compromise or arrangement for the benefit of any creditors of the Operator; or
- 2.3.9.2 the making of an application for an administration order or the making of an administration order in relation to the Operator; or

- 2.3.9.4 the appointment of a receiver or manager or an administrative receiver in relation to any property or income of the Operator; or
- 2.3.9.5 the commencement of a voluntary winding-up in respect of the Operator, except a winding-up for the purpose of amalgamation or reconstruction of a solvent company in respect of which a statutory declaration of solvency has been filed with the Registrar of Companies; or
- 2.3.9.6 the making of a petition for a winding-up order or a winding-up order in respect of the Operator; or
- 2.3.9.7 the striking-off of the Operator from the Register of Companies or the making of an application for the Operator to be struck-off; or
- 2.3.9.8 the Operator otherwise ceasing to exist; or such any event or procedure analogous to the same happening in respect of the Operator in the jurisdiction governing the Operator's corporate affairs then there shall be deemed to be a default in the payment of any Airport Charges which are extant as at the date of such event or procedure shall be deemed to be in default for the purposes of Section 88 of the Civil Aviation Act 1982.
- 2.3.10 The Operator shall not, without the express written consent of Gatwick Airport Limited, be entitled in respect of any claim he may have against Gatwick Airport Limited or otherwise to make any set off against or deduction from the charges provided for in these Conditions of Use. He must pay such charges in full pending resolution of any such claim.
- 2.3.11 All charges not falling within Condition 2.3.1 above shall be payable within 14 days of service of an invoice. Gatwick Airport Limited shall provide seven days' notice of any intention to withdraw credit facilities but these may be withdrawn immediately upon notice if Gatwick Airport Limited is of the opinion that any act of insolvency (including but not limited to those set out at Condition 2.3.9 above) has or is about to take place in relation to an Operator.
- 2.3.12 Any queries relating to invoices should be raised with Gatwick Airport Limited's Credit Control Department within 10 days of the invoice date. Relevant contact numbers are shown on our invoices and statements.

2.4 Data

- 2.4.1 The Operator shall comply with the data requirements as set out in Schedule 4 (Data Requirements) to these Conditions. Gatwick Airport Limited shall be entitled to publish any such information for the purpose of comparing the Operator's on time performance and arrivals baggage performance in such format as it may from time to time determine.

3 Airport charges

3.1 Charges on landing and take-off

- 3.1.1 The relevant charges for the landing and the take-off of aircraft as set out in Appendix I of the Schedule of Charges are payable.
- 3.1.2 The charge on landing and take-off will be assessed and payable based on the season, actual time of arrival or departure, the noise chapter of the aircraft and the aircraft category (e.g. General or Business Aviation).
- 3.1.3 The noise chapter of an aircraft will be set as prescribed by Volume 1, Part II, Chapter 3 of Annex 16 to the Convention on International Civil Aviation, based on the arithmetic sum of the differences between certificated levels and the Chapter 3 noise limits at the approach, lateral and flyover points. Airlines must submit document attesting that the aircraft complies with the noise chapter being applied for. If no documents are provided, Gatwick Airport Limited will use its discretion in levying a chapter 2 charge pending submission of any certification data that supports the noise chapter claimed. Relevant documentation should be sent to:

Gatwick Airport Traffic Charging Team
Gatwick Airport Limited
5th Floor, Destinations Place,
Gatwick Airport,
West Sussex, RH6 ONP

- 3.1.4 Emissions charge: An additional NOx emissions charge applies to all aircraft over 8,618kg (based on the aircraft ascertained NOx emission), on landing and take-off as outlined in Appendix I of the Schedule of Charges.
- 3.1.5 Air Navigation Services charge: There is no separate charge for Air Navigation Services (ANS).
- 3.1.6 Towing Rebate: An arriving or departing flight that is requested by GAL to tow, to enable a flight to receive pier service or where a flight on a pier served stand is requested to operate remotely, will qualify for a rebate. If the tow is performed by ground handling resource that is contracted directly by the airline, a rebate of £152.84 will be paid to the airline. If the tow is performed by ground handling resource that is contracted directly by GAL, the rebate of £152.84 will be retained by GAL and treated in accordance with separate arrangements put in place between GAL and the airline in relation to such tows. Tows undertaken for an airline at its own behest (e.g. for maintenance, technical issues, cleaning, de-icing) will not qualify for this rebate.

3.2 Charges on terminal departing passengers and non-passenger flights

- 3.2.1 The relevant charges payable by an airline per Terminal Departing Passengers are set out in Appendix 1 of the Schedule of Charges.
- 3.2.2 Minimum charge on departure: There is a minimum charge on departure for all flights at Gatwick Airport as set out in the relevant Appendix 1 of the Schedule of Charges. A "Minimum Departing charge per ATM" is applied to flights (including non-passenger flights), where an Operator's departing

passenger charge drops below the minimum charge threshold. This charge is in addition to any take-off fee that may be payable.

Arrivals / Departures from Designated Remote Stands

- 3.2.3 Where a flight arrives or departs from a stand which is a Designated Remote Stand, a rebate to the charge on Terminal Departing Passengers will be allowed as set out in the Schedule of Charges, based on the number of Terminal Arriving Passengers and Terminal Departing Passengers using remote stands. Such rebate will not apply:
- 3.2.3.1 to the extent that it reduces the charges on departing passengers to below the level of the relevant minimum charge on departure set out in the Schedule of Charges; or
 - 3.2.3.2 where a remote stand has been requested by an Operator or its handling agent rather than being required by Gatwick Airport Limited for operational or pier segregation reasons; or
 - 3.2.3.3 where a stand which is not a remote stand has been made available, but has been declined by an Operator or its handling agent.
- 3.2.4 Security charge: There is no separate charge for security.

3.3 Aircraft parking charges

- 3.3.1 The relevant charges for aircraft parking as set out in Appendix I of the Schedule of Charges are payable.
- 3.3.2 The charges for parking of aircraft at the airport will be assessed and payable on the basis of the Maximum Take Off Weight as recorded by Gatwick Airport Limited, based on the submission of completed All Up Weight Return (AUWR) on 1 April each year. For the purposes of calculation of aircraft parking charges the Maximum Take Off Weight has been divided into the following three bands:
- 3.3.2.1 Less than 50 metric tonnes
 - 3.3.2.2 Greater than or equal to 50 metric tonnes and less than or equal to 200 metric tonnes
 - 3.3.2.3 Greater than 200 metric tonnes
- 3.3.3 Parking charges will be based on the total number of five minutes or part thereof that an aircraft has been parked on areas designated as airport company parking areas.
- 3.3.4 These charges will apply whether the aircraft is secured to the ground or to a structure on the airport or is left on the ground unsecured.
- 3.3.5 A peak charge will apply to an aircraft which occupies a pier served stand between 0500 UTC (GMT) and 2229 UTC (GMT) from 1st April to 31st October. During this period of time each minute will count as three minutes for the purpose of the calculation of parking charges.
- 3.3.6 Parking charges will accrue from the time the aircraft is "on block" until the aircraft is "off block" as recorded by the IDAHO system.
- 3.3.7 Parking is free between the hours of 2230 and 0459 UTC (GMT) from 1st April to 31st March.
- 3.3.8 The Chief Executive Officer of the airport has discretion to decide in the light of particular circumstances at the airport to abate or waive the charges set out in the Schedule of Charges in relation to the parking of aircraft at certain times and periods or on certain parts of the airport. In this

event, the Chief Financial Officer will supply the details of the terms and conditions of the abatement or waiver of the charges on the request of any Operator who parks aircraft at the airport and the Operator may apply to the Chief Financial Officer for these terms and conditions.

- 3.3.9 The Chief Executive Officer of Gatwick Airport Limited may at any time order an aircraft Operator either to move a parked aircraft to another position or remove it from the airport. Failure to comply with the order within the period specified in it will render the Operator liable to a special charge, equivalent to eight times the standard parking charges set out in the Schedule of Charges, for every hour or part of an hour during which the aircraft remains in position after the period specified in the order has expired.
- 3.3.10 No abatement or waiver of the parking charges will be granted except in accordance with the terms of Conditions 3.3.8 and 4.3.1.

3.4 Charges for Ancillary Services, PRM, Check-in and Airside Coaching

- 3.4.1 Operators and other users shall pay charges for Utilities, Bus and Coach access, Staff car parking, Staff ID passes and Airside Operators Licence at the rates set out in the relevant appendices within the Schedule of Charges.
- 3.4.2 Gatwick Airport Limited shall ensure that those charges referred to in Condition 3.4.1 and the charges levied by Gatwick Airport Limited for airside parking and cable routing are set at levels which are fair, reasonable and non-discriminatory.
- 3.4.3 At least three months prior to making any amendments to those charges referred to in Condition 3.4.2 above, Gatwick Airport Limited shall provide Operators with relevant information (including cost information, where relevant) and assumptions adequate to verify the basis upon which the amended charges have been calculated.
- 3.4.4 By 31 December in each year Gatwick Airport Limited shall provide Operators and other users with a statement of actual costs and revenues in respect of each of the services and activities referred to in Condition 3.4.2 for the year ending the previous 31 March.

PRM charges

- 3.4.5 Operators shall pay charges in relation to PRM services at the rates set out in the Appendix IV of the Schedule of Charges and the Chief Executive Officer reserves the right to make such changes to these rates as he thinks fit following consultation with airlines, which will be promulgated by issue of a GAD.
- 3.4.6 PRM charges are based on an Operator's pre-notification performance as supplied by the PRM service provider. Pending receipt of such notification Operators shall pay the charges on a provisional basis at the highest rate per departing passenger. At Chief Executive Officer's discretion the provisional charges may be based on the Operator's historic performance. PRM charges are levied on each of an Operator's departing passengers. The proportion that the number of an Operator's PRMs in each pre-notification band (as set out in Appendix IV of the Schedule of Charges) bears to the Operator's total number of PRMs is applied to the Operator's total number of departing passengers to provide the number of departing passengers in each relevant pre-notification band for charging purposes.
- 3.4.7 Gatwick Airport Limited will undertake reconciliation against the provisional payment following the end of each calendar month, based on pre-notification performance through data provided by the Inform system of the PRM service provider. Any rebate or additional charge will be calculated and made on the basis of such reconciliation.

- 3.4.8 By 31 December in each year Gatwick Airport Limited shall provide Operators with a statement of actual costs and revenues in respect of each of the PRM services for the year ending the previous 31 March.

Check in and baggage charges

- 3.4.10 Operators shall pay the charges for Check in and baggage as set out in Appendix V of the Schedule of Charges.

- 3.4.11 The following definitions apply for the purpose of calculating the Check in and Baggage Charges payable in accordance with Appendix V of the Schedule of Charges.

3.4.11.1 "Departing Passenger using check in facilities" means a departing passenger using check-in facilities at the airport to complete passenger acceptance which includes those passengers who are issued a boarding card whether at a traditional check in desk or at a CUSS terminal or equivalent at the airport. It also includes departing passengers who completed check in off airport but completed a visa check at the airport. The "departing passenger using check in facilities" charge is not applicable for departing passengers who completed check in off airport, and are transfer passengers or passengers with hand luggage who go straight to security or passengers with hold baggage using bag drop only.

3.4.11.2 "Departing Hold Bag" means each bag or item that is processed at check in desk or a bag drop facility for onward carriage in the hold of an aircraft.

3.4.11.3 "Transfer bag" means each bag or item that is processed on behalf of a Transfer Passenger.

3.4.11.4 "Departing ATM" means a departing scheduled or charter flight carrying passengers who are not solely transit passengers.

3.4.11.5 "Departing Passenger" means each passenger on the Departing ATM with the exception of a Transit Passenger.

3.4.12 In setting the charges for 1 April 2015 to 31 March 2016, timeslice and last bag performance data for the 12 month period from 1 January 2014 to 31 December 2014 will be used.

3.4.13 The charges are calculated as follows:

3.4.13.1 Calculation of departing baggage utilisation weighting

3.4.13.1.1 Baggage system "timeslices per ATM" data be reviewed annually to determine:

- for the airport as a whole, an Airport Average Timeslices per ATM, and
- for each individual airline, an Airline Average Timeslices per ATM.

(In both cases, applying a 4 hour before departure "cut-off" methodology where all timeslices triggered 4 hours before departure are treated as 1 timeslice)

3.4.13.1.2 Each airline will have an associated "Airline Departure Baggage Weighting Factor" calculated as outlined below: *Airline Average Timeslices per ATM ÷ Airport Average Timeslices per ATM*
These weightings will be reset annually.

3.4.13.1.3 The charge for 'Airline Departing Baggage per ATM' is outlined below:

*Airline Departing Baggage Charge per ATM = Airport Average Departing Baggage Charge per ATM *
Airline Departure Baggage Weighting Factor*

3.4.13.1.4 The Airport Average Departing Baggage Charge per ATM will be based on the annual cost subject to allocation and the aggregate number of timeslices in the year.

3.4.13.2 Calculation of arrivals baggage utilisation weighting:

3.4.13.2.1 “Last bag” data to be reviewed annually to determine:

- for the airport as a whole, the Airport Average Last Bag Time; and
- for each individual airline, an Airline Average Last Bag Time.

(In both cases, applying a 15 minute minimum Last Bag Time)

3.4.13.2.2 Each airline will have an associated “Airline Last Bag Weighting Factor” calculated as outlined below:
Airline Average Last Bag Time ÷ Airport Average Last bag time

These weightings will be reset annually.

3.4.13.2.3 The charge for 'Airline arrival baggage charge per ATM' is outlined below:

*Airline Arrival Baggage Charge per ATM = Airport Average Arrival Baggage Charge per ATM * Airline Last Bag Weighting Factor*

3.4.13.2.4 The Airport Average Arrival Baggage Charge per ATM will be based on the annual cost subject to allocation and the aggregate of the Last Bag Times in the year.

3.4.13.3 Calculation of Airline Combined Baggage Weighting factor:

3.4.13.3.1 Each airline will have an associated combined baggage weighting ('Airline Combine Baggage Weighting factor'), which is calculated as outlined below:

(Airline Departing Baggage Charge per ATM + Airline Arrival Baggage Charge per ATM) ÷ (Airport Average Departing Baggage Charge per ATM + Airport Average Arrival Baggage Charge per ATM)

This weighting factor will be rounded to one decimal place e.g. 0.950 to 1.049 becomes 1.0; 1.06 becomes 1.1; 0.74 becomes 0.7; etc.

3.4.13.3.2 A single Airport Average Baggage Charge per ATM will be published in the Conditions of Use to which this baggage weighting factor will be applied. This will be (Airport Average Departing Baggage Charge per ATM + Airport Average Arrival Baggage Charge per ATM), adjusted as necessary to ensure no over or under recovery of the cost that might arise through the rounding of weightings.

3.4.13.3.3 New airlines or airlines with fewer than 100 departing ATMs in the prior year will be charged at the airport average rate.

3.4.14 On-Airport Check in Passenger Rebate Process

3.4.14.1 GAL will set in advance the percentage of each airline’s departing passengers that will be charged as on-airport check in passengers, based on data submitted by 31st January for the preceding 12 months ending 31 December each year. Charges for 1 April 2015 to 31 March 2016 will be based on data submitted for the period 1 January 2014 to 31 December 2014. If a minimum of 3 months of data has not been submitted or is not available (including for new airlines) GAL will charge all departing passengers as on-airport check-in passengers.

3.4.14.2 In order for an airline’s 2015-16 on-airport check in passenger ratio to be set at a rate below 100% an airline must either submit a data return each month or complete the “Check in & baggage charges 2015-16 - departing passenger acceptance method return” (to be submitted to GAL by 31 January

2015). Monthly return data should be sent to airline_data@gatwickairport.com using the appropriate template.

3.4.14.3 Based on this approach each airline will be aware of the charges per check-in passenger it will need to pay during the year ahead. But, also it would be aware that changes in its check-in policies and performance will have an effect on its relative charges in subsequent years.

3.4.15 By 31 December in each year GAL shall provide Operators with a statement of actual costs and revenues in respect of the Check in and baggage services for the year ending the previous 31 March

Airside Coaching charges

3.4.16 Operators shall pay the charges agreed between Operators and the airside coaching provider for airside coaching as set out in Appendix VII of the Schedule of Charges.

3.4.17 In the event of an Operator failing to pay any charges payable under Condition 3.4.16 when due Gatwick Airport Limited shall be entitled to set off against any amount so due any rebate due to the Operator pursuant to Condition 3.2.3.

4.2 Positioning flights

4.2.1 The Chief Executive Officer of the airport has discretion to grant a 100% rebate of the charge on landing of aircraft positioning empty for public transport flights. For this purpose, a public flight shall be any flight operated for hire or reward by an aircraft with a Maximum Take Off Weight in excess of 16 metric tonnes or such a flight by a smaller aircraft, where carriage is offered to the public on a regular basis according to a published timetable. Services or facilities which would have been provided for such charges as at 1st April 2013 but for the facility or service being unserviceable or subject to refurbishment shall fall within the definition of Core Services.
 - 1.5 'Core Service Charges' means those charges referred to in Appendix I of the Schedule of Charges as may be varied from time to time with the exception of any charges levied in respect of whole plane cargo flights, positioning flights and general and business aviation.
 - 1.6 'Core Yield' means the Aggregate Core Revenue divided by the total number of Passengers using the airport in any Relevant Year.

- 1.7 'Blended Yield' means the Aggregate Blended Revenue divided by the total number of Passengers using the airport in any Relevant Year.

 and where $CGRD_{2013/14} = 0$
- 1.9 'Cumulative Net Revenue Difference' or 'CNRD_t' is calculated as follows:

$$CNRD_t = (R_t - Q_t \cdot NY_t) + CNRD_{t-1} (1 + I_{t-1})$$
 and where $CNRD_{2013/14} = 0$
- 1.10 'Indicative Net Yield Profile' for a Relevant Year or 'NY_t' is calculated as follows:

$$NY_t = U_t + S_t$$

$$GY_t = W_t + S_t$$
- 1.12 'I_{t-1}' means the annual percentage interest rate equal to the sum of:
- 1.12.1 the average of the UK Treasury Bill Discount Rate (expressed as an annual percentage interest rate) published weekly by the Bank of England, during the 12 months from the beginning of September in t-1 to the end of August in the Relevant Year; and
- 1.12.2 if the CNRD_{t-1} or the CGRD_{t-1} to which the indexation rate is being applied has a positive value, 3%, otherwise, 0%.
- 1.13 Selected Ancillary Service Charges means charges for other services provided by Gatwick Airport namely: Staff ID, airside licences, FEGP (net of the cost of electricity), Airside Parking, Hydrant Refuelling
- 1.14 'Q_t' means the total number of Passengers using the airport in a Relevant Year.

- 1.17 "S_t" means the permitted security cost per passenger in relevant year t, if any, being: the aggregate of:
- 1.17.1 90% of the amount by which the increase, or decrease, in security costs at the airport in year t, which arise as a result of a change in required security standards at the airport, exceeds £1.75m; and
- 1.17.2 the cost of installing new hold baggage screening equipment in order to meet the requirements of the Department for Transport, the European Commission or other aviation security regulator consulted on by Gatwick Airport Limited in accordance with the capital investment programme consultation process. The cost in year t will be calculated by amortising the capital costs and associated funding costs over the assessed life of the equipment, in equal annual amounts divided by (Q_t).

1.18 'U_t' is the underlying net yield in Relevant Year t, calculated as follows:

$$U_t = U_{t-1} (1 + RPI_{t-1}) \text{ where } U_{2013/14} = \text{£}8.894$$

1.19 "W_t" is the underlying gross yield in Relevant Year t, defined as:

$$W_t = W_{t-1} (1 + RPI_{t-1} + 1\%) \text{ and,}$$

$$W_{2013/14} = U_{2013/14}$$

2 The amount by which the actual Core Yield differs from the Indicative Gross Yield Profile in a Relevant Year will generate a revenue difference which, over the course of the Term, will give rise to the Cumulative Gross Revenue Difference (CGRD_t). Gatwick Airport Limited shall ensure that the Cumulative Gross Revenue Difference does not exceed:

2.1 £10 million in any Relevant Year during the Term; and

2.2 nil at the end of the Term.

3 The amount by which the actual Blended Yield differs from the Indicative Net Yield Profile in a Relevant Year will generate a revenue difference which, over the course of the Term, will give rise to the Cumulative Net Revenue Difference (CNRD_t). Gatwick Airport Limited shall ensure that the Cumulative Net Revenue Difference does not exceed nil at the end of the term.

4 The Indicative Net Yield Profile and the Indicative Gross Yield Profile represent the intended yield profiles of Gatwick Airport Limited in setting the Core Service Charges. They are indicative only and actual yield profiles may vary due to unanticipated circumstances, deliberate business decisions including responses to market conditions or to adjust for prior year under or over recoveries.

5 GAL shall set the Core Service Charge in any Relevant Year with the intent that the Core Yield in that year shall not exceed the Core Yield in the prior year by more than RPI + 10% unless it is required to do so to attain a CGRD_{2020/21} equal to zero.

6 Any amendment to the Indicative Gross Yield Profile may be made by Gatwick Airport Limited if:

6.1 consent to that amendment is given in writing by:

6.1.1 Operators carrying at least 67% of passengers (in the 12 months immediately preceding the date on which Gatwick Airport Limited notified Operators of the proposed amendment to the Indicative Gross Yield Profile) on airlines operating at the airport paying the Core Service Charge or under Bilateral Contracts (where such contracts adopt the airport tariff as a reference price index) and

6.1.2 by Operators representing at least 50% of the Operators responding in writing; or

6.2 following the completion of the work of the Airports Commission the Government support the development of a second runway at Gatwick Airport, to allow for the recovery of the reasonable costs (capital, operating and financing) of applying for planning permission for a second runway and the subsequent development of the second runway and associated airport infrastructure. Any amendment to the Gross Yield Profile for recovery of such costs will follow any policy guidance that may be issued by the CAA in relation to the recovery of costs of new runway development for price regulated airports.

- 7 When undertaking the annual consultation on airport charges, Gatwick Airport Limited will publish the Cumulative Gross Revenue Difference and the Cumulative Net Revenue Difference for prior years (updating using actuals data when available), and estimates of the Cumulative Gross Revenue Difference and the Cumulative Net Revenue Difference for the current year and the following year (including underlying assumptions and estimated data).
- 8 Gatwick Airport Limited shall notify the CAA and all Operators at the airport at least 2 years prior to the end of the Term of its intention with regards to the continuation of commitments, if any, on pricing, service standards, continuity of service, operational and financial resilience, investment consultation and financial information.
- 9 Gatwick Airport Limited shall make available Core Services to all Operators at the Core Service Charges rate as amended from time to time.
- 10 Subject to complying with paragraph 9 above Gatwick Airport Limited may offer enhancements or additions to the Core Services either under Bilateral Contracts or at charges separate from the Core Service Charges.

Schedule 3: Service Commitments

1. The Core Service Rebate to Qualifying Operators in the aggregate in month 'j' shall be calculated as:

$$\text{Core service rebate}_{T,j} = \text{Service Rebate Percentage}_{T,j} \times \text{Annual Core Service Charge}_T$$

Where:

$$\text{Annual Core Service Charge}_T =$$

in respect of terminal "T", in relevant financial year ending 31 March, the annual revenue arising from Core Service Charges or equivalent charges under Bilateral Contracts for relevant commercial passenger services operated by Qualifying Operators under the terms of the published airport tariff set out in the Conditions of Use.

The rebate by each terminal will be allocated to Qualifying Operators that used the terminal pro-rata with the Core Service Charges or equivalent charges under Bilateral Contracts payable by each Qualifying Operator in relation to that terminal in that month. The deduction to be made from this rebate amount if a Qualifying Operator fails to meet airline standards will be calculated as:

$$\text{Deduction from Core Service Rebate}_{a,T,j} = \text{Airline Standard Reduction Percentage}_{a,T,j} \times \text{Core Service Charge}_{a,T,j}$$

For the avoidance of doubt, the deduction only operates to reduce the Core Service Rebate (if any) payable by GAL to a Qualifying Operator; it cannot result in a payment due from the Qualifying Operator to GAL.

2. The Service Rebate Percentage in month 'j' for each terminal 'T' shall be calculated as follows:

$$\text{Service Rebate Percentage}_{T,j} = \frac{\sum_{\text{Standard } i} 2 \times (p_{i,T} / 12) \times (x_{i,T,j})}{\text{Standard } i}$$

Where:

$p_{i,T}$ = the maximum potential Core Service Standard rebate percentage for standard "i", for terminal "T", as set out in Appendix 1 to this Schedule. If the standard "i", for terminal "T", in month "j" is greater than or equal to the Core Service Standard rebate level, as set out in Appendix 1 to this Schedule then $x_{i,T,j} = 0$. If the standard "i", for terminal "T", in month "j" is less than the Core Service Standard rebate level, as set out in Appendix 1 to this Schedule, then $x_{i,T,j} = 1$ or 1.25, in relation only to Selected Passenger Facing Measures, if the relevant standard "i", for terminal "T", in months "j" and in each of the six immediately preceding months (i.e. "j-1", "j-2", "j-3", "j-4", "j-5", "j-6") is or was less than the Core Service Standard rebate level, as set out in Appendix 1 to this Schedule 3. Provided that the maximum aggregate Service Rebate Percentage payable in relation to all Selected Passenger Facing Measures shall not exceed 2.85% in any financial year ending 31 March; or 0, if prior to month "j" there have been any six or more months in a relevant financial year ending 31 March in which the standard "i", for terminal "T" was less than the service rebate level, as set out in Appendix 1 to this Schedule. This provision applies in precedence to, and overrides, the provisions above providing for the calculation of $x_{i,T,j} = 1$ or 1.25

For the purposes of this calculation, the Selected Passenger Facing Measures comprise: Departure Lounge Seat Availability; Cleanliness; Way-Finding; Flight Information; Central Passenger Search (times < 5 minutes, times < 15 minutes); Passenger Sensitive Equipment (General); Passenger Sensitive Equipment (Priority); and Arrivals Reclaim (Baggage Carousels).

3. Airline Standard Reduction Percentage for each airline "a" shall be calculated as:

$$\text{Airline Standard Reduction Percentage}_{a,T,j} = \sum_{\text{Standard } k} r_{k,T} \times z_{a,T,j,k}$$

Where:

$r_{k,T}$ = the potential Airline Service Standard Reduction Percentage per month for standard "k", for terminal "T", as set out in Appendix II to this Schedule.

$z_{a,T,j,k} = 0$ if the standard "k", for terminal "T", in month "j" is greater than or equal to the Airline Service Standard Target Level, as set out in Appendix II to this Schedule; or
1 if the standard "k", for terminal "T", in month "j" is less than the Airline Service Standard Target Level, as set out in Appendix II to this Schedule.

4. Gatwick Airport Limited shall be under no obligation to pay the Core Service Rebate to an Operator which has failed to pay Gatwick Airport Limited any amounts due and owing under these Conditions of Use.

Amendment

5. Any amendment to the Airline Service Standards or the Core Service Standards may be made by Gatwick Airport Limited following consultation with the Gatwick Airline Operators Committee and the Gatwick Airport Consultative Committee if consent to that change is given in writing by:
- 5.1 Operators carrying at least 67% of passengers (in the 12 months immediately preceding the date on which Gatwick Airport Limited notifies Operators of the proposed amendment) travelling through the airport on airlines operating at the airport paying the Core Service Charge or operating under Bilateral Contracts which have not waived or replaced these Core Service Standards provisions and by
- 5.2 Operators representing at least 50% of the Operators responding in writing.

Monitoring

6. Gatwick Airport Limited shall monitor and publish on the Gatwick Airport website and in the terminals a monthly report in relation to certain airport-wide activities including:
- 6.1 The Core Service Standards
- 6.2 The Airline Service Standards
- 6.3 PRM service and notification
- 6.4 On-time performance (departures and arrivals)
- 6.5 Immigration performance; and
- 6.6 ACI Airport Service Quality ranking.
7. If Gatwick Airport Limited fails to meet any Core Service Standard for any six consecutive months it will prepare an improvement plan to address the failure and will consult with the Gatwick Airline Consultative Committee and the CAA on its proposals and will then implement the improvement plan.
