*Although Nando's restaurants aren't vegetarian, our kitchens aim to keep non-meat products separate from meat products. We can't, however, guarantee this. Please be aware that as we sell nuts, there may be traces of nuts in all our products. Prices are listed in Pounds Sterling and include VAT at the current rate. Service not included. We take great care to remove the bones and cartilage from our boneless items and the stones from our olives but there is a tiny chance of finding one. Halal chicken may be served in any of our Nando's restaurants.

All our coffees are Fairtrade certified. Growers get a good price, money is invested where it matters and you get a brilliant cup of coffee – fair enough.
