# GIN

FROM THE STILL 25ML **4.25** / 50ML **8.50**  
NICHOLAS CULPEPER LONDON DRY GIN

Nicholas Culpeper London Dry Gin uses more than twice the quantity of botanicals found in typical gins. Almost immediately as the glass is lifted, juniper & lemongrass hit the nose followed by sweet cassia & cardamom that balances the astringency of the juniper. After sipping you will discover light floral notes coming from the coriander seeds & cloves. The complex & subtle combination of liquorice & angelica root linger in the mouth.
