

An aerial photograph of Gatwick Airport's northern runway and taxiway. The runway is a long, straight concrete strip with white markings and arrows. To the left of the runway, there are several large green grassy areas. In the foreground, three aircraft are visible: a small red and white jet on the left, a white jet in the middle, and a large white four-engine jet in the center. The background shows the airport's terminal building, a control tower, and other airport infrastructure. The sky is clear and blue.

Our northern runway: making best use of Gatwick

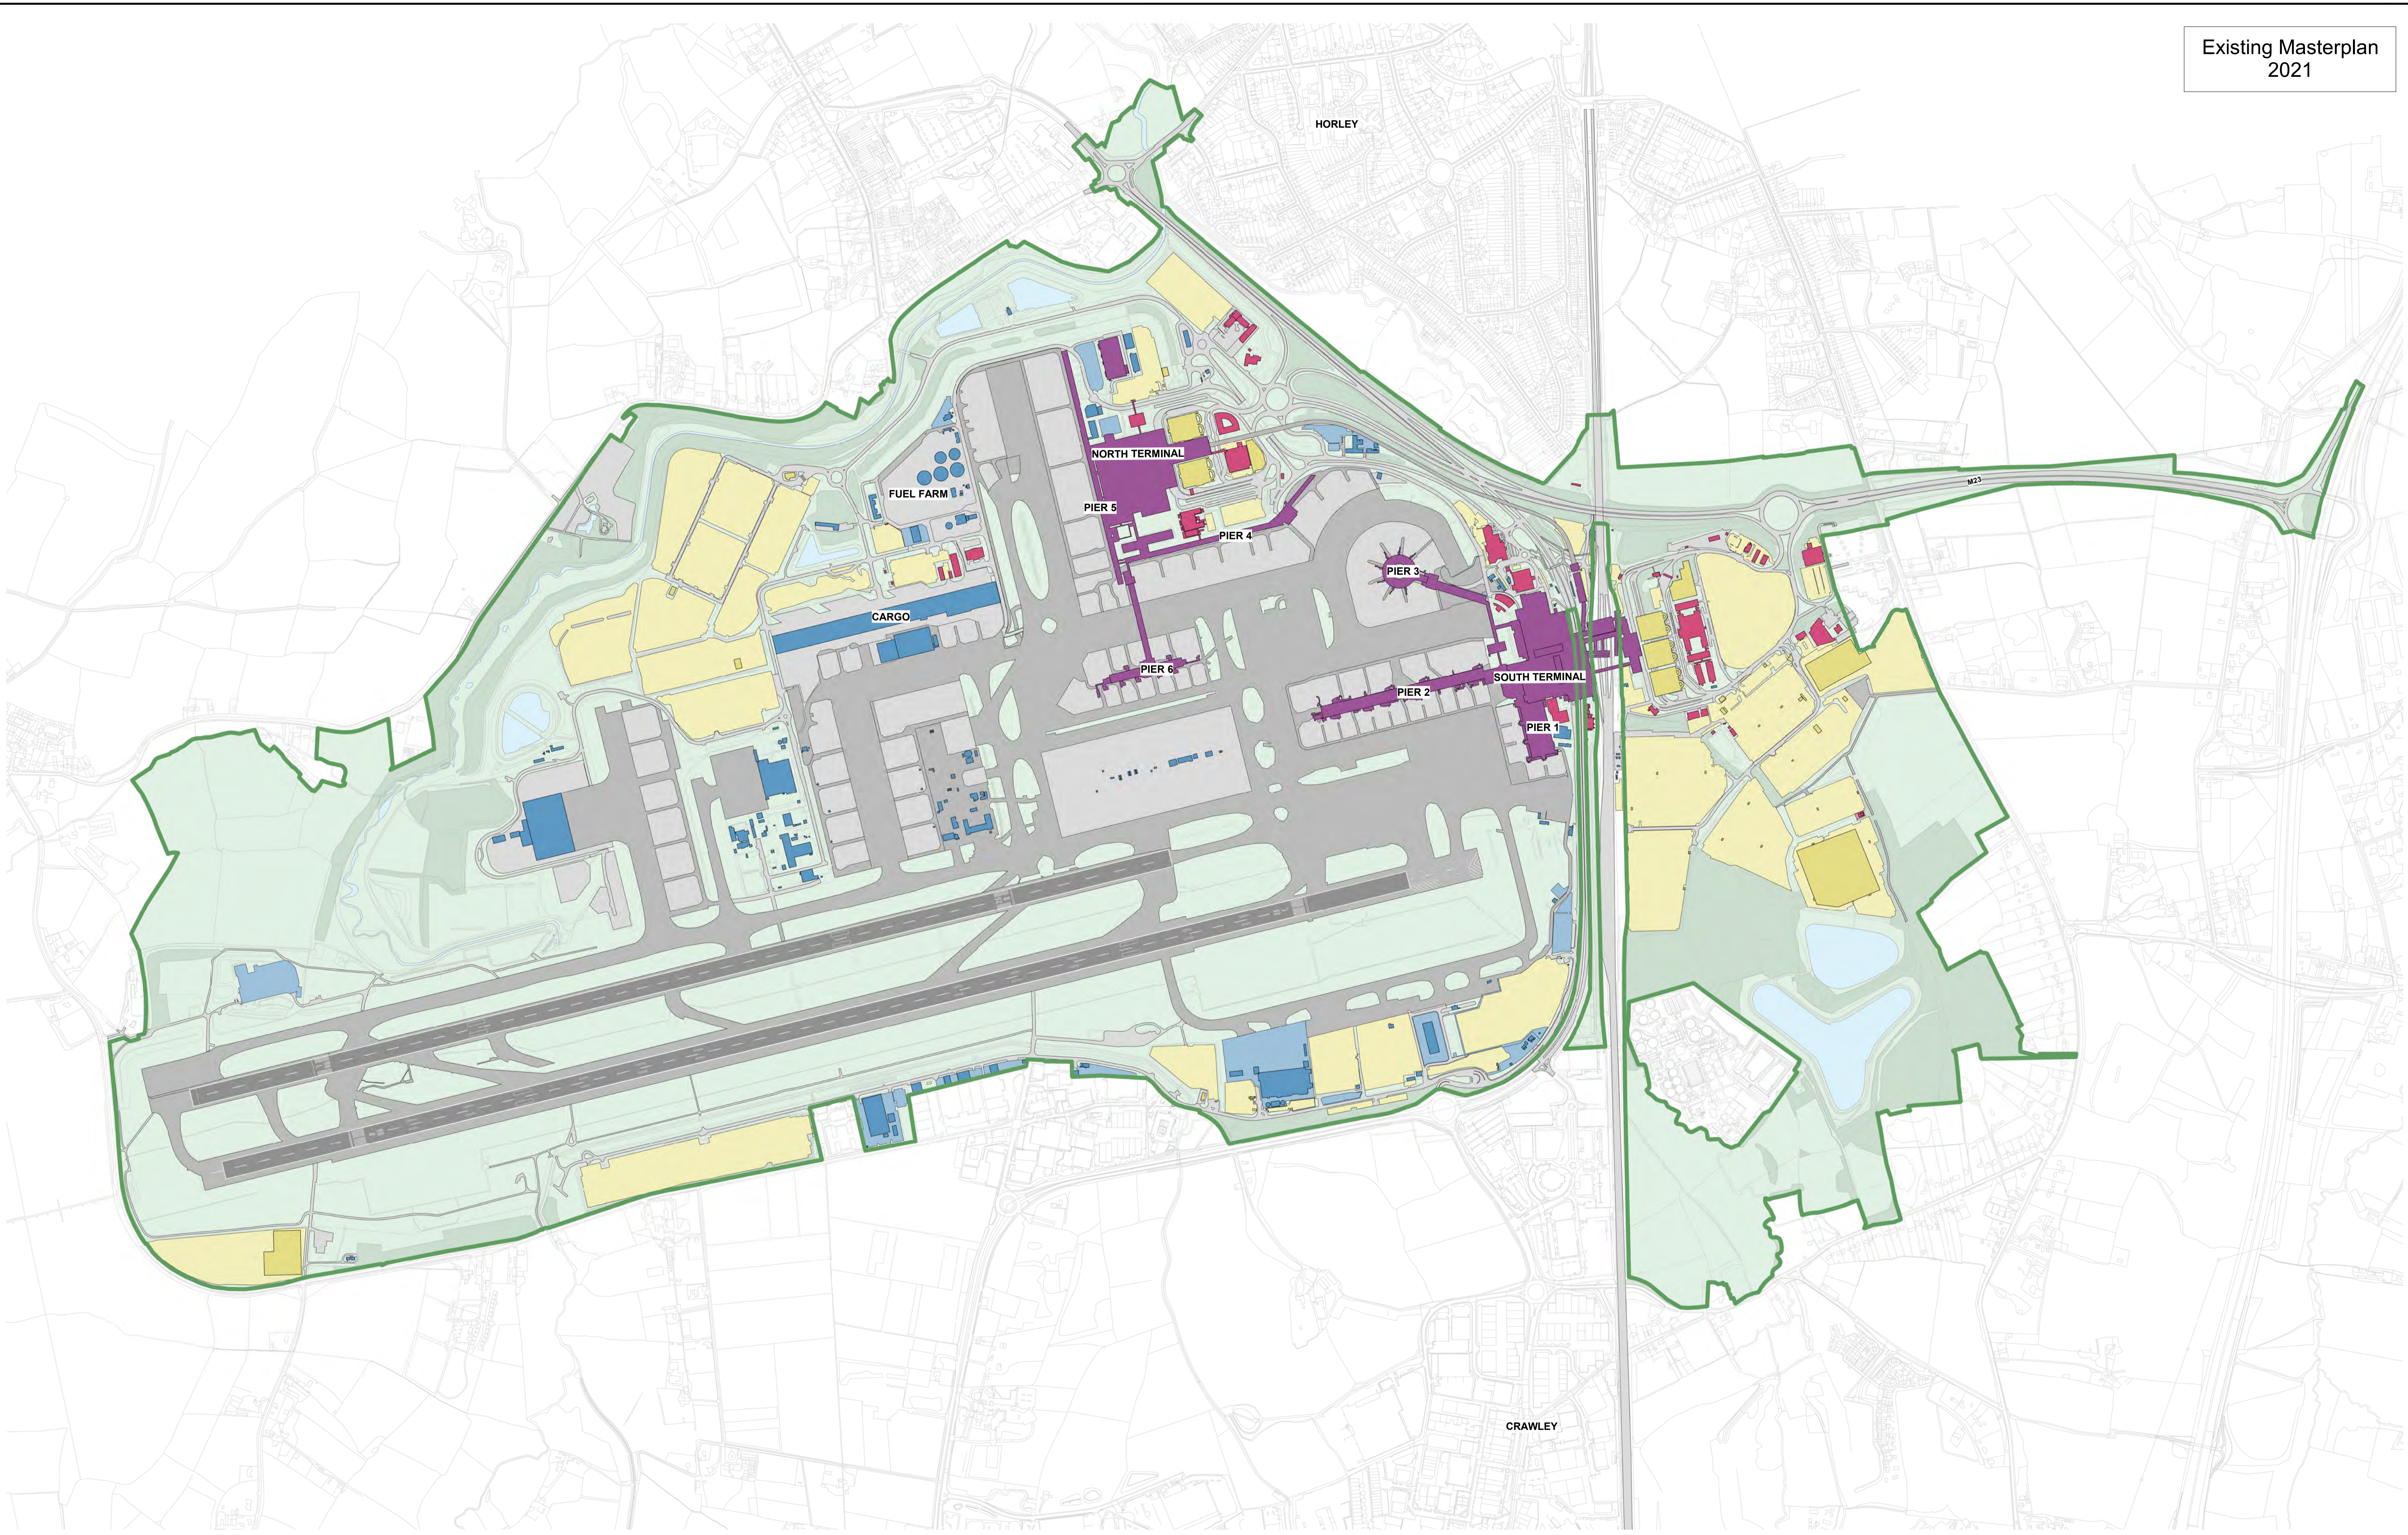

Land Use and Construction Phasing Plans

Autumn 2021

Existing and Proposed Masterplans

- Existing Masterplan 2021
- Future Baseline Masterplan
- Proposed Masterplan

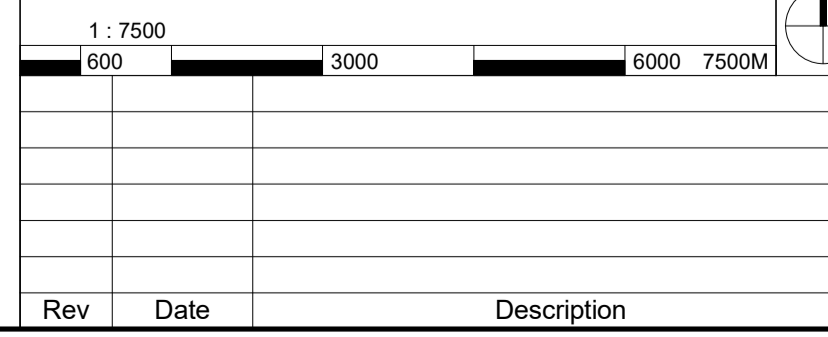

Existing Masterplan 2021

Land Use Key

Existing Site	Land Use	Environmental Mitigation
Existing Runway	Airfield Access	Environmental Mitigation
Existing Roads	Airfield Stands	Water Treatment Safeguarding
Existing Water	Airfield & Landside Operations	
Existing Woodland	Car Parking	
Estate Boundary	Commercial	
	AV Route	
	Contractor Compound	
	Flood Plain	
	Terminal Buildings	
	Landside Surface Access	
	Water	
	Underground Water Storage	

Plans are for illustrative purpose only.
